“Therefore, we went forth and set out to create a massive, beautiful fantasy world. Of course, it’s not a world waiting for you to fall into it. You have to create it!”

“OK, let’s pretend. We have been granted special permission to create a fantasy RPG, for now. So we must

power of the Elden Ring and become an Elden Lord in the Lands Between. You are a Tarnished. You have been born with a Tarnished Mark. The mark bestowed on you signified that you belonged to one of the Revered Families and your parents saw it as something of a disgrace. You were driven out and homeless, abandoned to wander the Lands Between. You were lucky enough to be saved by a fisherman who took you in. However, the fisherman told you "if you want to live in this world, you must either be an innocent or a pariah." You started to live in the abandoned pier. You lived together with a legendary masked man. You then learned that the terrifying masked man was the Tarnished King. Your life then diverged in two paths: One, you would seek revenge on the Tarnished King. Two, you would be guided by grace and become the hero of the Restoration. You will no longer be a Tarnished. You will no longer be a pariah. You will again be called a hero. YOU ARE THE HERO. YOU ARE ELDEN LORD. You can say that the mask has flown. HELP FOR TARNISHED. You cannot become a hero unless you are a Tarnished, but once you have become one, you can no longer live in the Lands Between. YOU CANNOT LIVE IN THIS WORLD. *EPISODE 1* You set out to find the name of the legend. The Tarnished King told you to go to the Sunken Tower. You know nothing of the Sunken Tower.
