■ Early Access Release on March 6, 2019 ▲ A new fantasy action RPG game where you lead your party through the Lands Between as an Elden Lord and defeat monsters with your tactics. ■ Release Date: March 6, 2019 ▲ Prepare to Brandish Power and Become an Elden Lord. ■ Teasers: Lands Between The stories of the Lands Between unfold in fragments, and the world that Tarnished finds herself in is different from the world where the story took place. Tarnished, who has her own history, becomes an Elden Lord in the Lands Between and has the power to use the legendary and powerful sword, Acacia. Tarnished, the Lord of the Lands Between The player character is the Elden Lord Tarnished, who has infiltrated the domain of the Elden Lord Asher. The Elden Lord of the Lands Between tried to hold back the light from the dark forest, but was defeated, captured by the power of the Light in the sky. He is now about to reveal the Light, but is pulled away. Tarnished, who has been brought to the Elden Lord, meets the leader of the other party, an heir of the Elden Lord, who was brought here by his sword. ■ Introduction of the Light The Light that was once sealed was once sealed by the power of the Elden Lords, it is now crushed by the power of Tarnished and the wielder of Acacia, who breaks the seal. The Elden Lord Asher, who has been trying to take the Light for his own, died, and the Light was sealed in by his daughter. With his last breath, he desires that Tarnished fulfill her duty as the Lord of the Lands Between and send the Light back to its world. ■ Road Ahead From the dark forest to the sky... If you choose to complete the quest that is given to you, your story will unfold within the Lands Between. However, it may happen that you and the party you are joining are pulled out of the Lands Between by means of a teleport... ■ Key Features 1. The Lands Between Here begins the world of Tarnished, a new fantasy action RPG game. It has been a long while since the world of Tarnished became dark. The evil from the dark forest and vile monsters invaded the Lands Between. In this

I've done what I can to preserve the paint jobs, but due to the age, they're pretty bad. Plus I have a sheen powder that I use and a few years ago, I bought some kind of product that was a miracle worker. But I used a lot of it and can't afford to buy any more and it's the only thing that seems to work. My hope with these pics is to get some ideas on how to keep them in the future.

1. Field of the Invention The present invention relates to a method for pre-processing a raw sample to be used for a droplet ejection device, a droplet ejection device and an image forming apparatus using the same. 2. Description of the Background Art Generally, a droplet ejection device has a plurality of nozzles. A plurality of raw samples, in which raw materials are dispersed in a matrix material, are supplied to the nozzles one by one, and a predetermined amount of liquid is expelled from each nozzle so that a predetermined amount of the raw materials are contained in a predetermined area. With the use of such a droplet ejection device, the formation of various droplets on a recording material in an image forming apparatus may be performed. In the conventional droplet ejection device, the size of the raw material liquid supplied from the raw material liquid storage tank is not constant for every nozzle because
